

DRIVING DIRECTIONS to CHINA BAR KIOSK TRAILHEAD

Drive Sierra College Blvd. and turn left onto English Colony Way. At Taylor Road, turn left and drive to Newcastle — turning right (just before the tunnel) onto Old State Highway, winding through the town of Newcastle and then crossing over the Hwy. 80 overpass. At the stoplight on Newcastle Road, turn left onto Indian Hill Road and drive until you reach the stop light at Auburn Folsom Road. Turn left onto Auburn Folsom Road and move to the right hand lane and turn right at the stoplight which is Maidu Drive. Stay on Maidu Drive until it ends at the Placer Water Agency. Park on the right hand side of the road close to the large gate. Do NOT park on the left side of the road — that is for employees of the agency.
