

DRIVING DIRECTIONS

: Take Hwy. 80 east to Auburn and exit on Elm Street. At the stop light turn left, go down the hill and turn left at that stop light onto High Street. Follow the Hwy. 49 signs driving down into the canyon and turning right to cross the bridge over the North Fork of the American River. Continue on Hwy. 49 past the town of Cool, and stopping at the service station in Pilot Hill. From there we will wait until all cars are together and then we will follow one another to the right-hand turn onto Pedro Hill Road ---- this turn is actually 11.3 miles from the bridge --- but the turn is very easily missed!!
