

DRIVING DIRECTIONS

Take Hwy. 80 east to Auburn and exit at the Grass Valley/Placerville -- Hwy. 49 exit. Turn to the left at the exit stop light onto Hwy. 49 and drive to Grass Valley --- and then another 3 miles to Nevada City.

Take the Sacramento Street exit, stop at the stop sign, continue directly across the wide intersection --- going downhill on Sacramento Street to the intersection of Broad Street and Boulder Street. Turn left onto Broad Street, cross over Hwy. 49 and continue driving through the main shopping street of Nevada City (staying on Broad Street) until you come to the split in Broad Street (there is a striking white house at the split) and stay to your right which becomes E. Broad Street.

Drive slowly --- about 1/4 to 1/2 mile --- until you see the "Outside Inn" on your left. Turn into their driveway to turn around and drive back down E. Broad Street a short ways to find a parking place along the street. Choose a place with an unmarked curb and watch for "No Parking" signs. We will all gather and walk together to the public bathroom.
