

**DRIVING DIRECTIONS - Castle Pass/Boreal Ridge/PCT Trailhead**

Travel east on Hwy. 80 for approximately 75 miles. Exit at Castle Pass/Boreal Ridge/PCT Trailhead — just before Donner Summit (and also before the rest stop at Donner Summit). At the bottom of the exit ramp, turn right, and then an immediate left and follow the road to the Pacific Crest Trailhead (it curves around some tall trees).

Caution—If you passed the Donner Pass Rest Stop, you have gone too far and will have to drive to the next exit and circle back!
