

DRIVING DIRECTIONS TO PCT TRAILHEAD

Drive Hwy. 80 east for 70 miles and exit at Castle Peak/Boreal Ridge/PCT Trailhead — which is the first exit east of the Soda Springs exit. At the bottom of the exit ramp turn right, then an immediate left toward the PCT Trailhead. Follow the road as it winds through the trees a bit.

CAUTION: If you passed the Donner Pass Rest Stop, you have gone too far and will have to drive a couple of miles downhill to the next exit and circle back!!
