

DRIVING DIRECTIONS to EDWARDS CROSSING

Drive Hwy. 80 east to Auburn. Take the Grass Valley/Placerville -- Hwy. 49 exit --- and turn left toward Grass Valley. Remain on Hwy. 49 to Nevada City --- and at the split of Hwy. 49 and Hwy. 20 (at the north end of Nevada City), turn left onto Hwy. 49 --- the sign will say "Toward Downieville"! DO NOT GO STRAIGHT AHEAD --- as then you will be on Hwy. 20!!

As soon as you have turned left onto Hwy. 49 at the split, drive about 1/2 block and turn right onto Coyote Street -- a short steep uphill and then a quick left into the parking lot of the Tahoe National Forest Service parking lot. On the left you will see a small white building which is the public bathroom. From there --- go back onto Hwy. 49 and turn right at the stoplight --- which is North Bloomfield Road. When you come to a T intersection, stay to the right and continue on North Bloomfield Road all the way to the South Yuba River and Edwards Crossing Bridge ---- but just before the bridge is a parking lot on the left -- and a nonflush bathroom on the right. Park well off the road.

CAUTION---- North Bloomfield Road becomes quite narrow and steep --- so drive slowly and with CAUTION!!
