

## Driving Directions to Lindsey Lake Trailhead

1. Get on Interstate 80 heading east as your prefer.
2. Exit Highway 20 – Nevada City / Grass Valley (Exit 161). Continue about 4 miles west.
3. Turn right on Bowman Lake Road – FS 18. Continue about 1 mile to “Sierra Discovery Trail” parking lot for a RESTROOM STOP.
4. Continue on Bowman Lake Road about 10 miles to “Loney Meadows” turn off sign. In the last 1/8 mile the road pavement is broken up, drive slowly.
5. Turn right on Loney Meadows Road, a Forest Service dirt road, and rough in places. This is SUV or truck road, not for cars. Continue 1 1/4 mile to the Day Parking area on left. Note, this road is not “Lindsey Lake, 4 Miles”, proceed 2 miles further on Bowman Lake Road. (If we don’t have enough adequate vehicles we will amend the start location OR shuttle the last 1 ¼ mile)
