

Driving Directions to Lynch Canyon Preserve

Drive Hwy. 65 to Roseville, take Hwy. 80 to Sacramento — staying in the left lanes — driving west toward San Francisco. After passing Fairfield, watch for Red Top Road and take that exit. Turn left at the stop light or stop sign onto Red Top Road. Go under the freeway, and immediately turn right onto McGary Road (it parallels the freeway). Drive 1.7 miles and turn right back under the freeway onto Lynch Road to the Park entrance.
