

Drive Hwy. 80 west — past Sacramento to Fairfield — and begin watching for the Hwy. 680 turnoff toward San Jose — take that exit. On Hwy. 680, drive toward Concord & Walnut Creek, crossing over the Benicia-Martinez Bridge and continue toward Concord. Take the Willow Pass Road exit (northeast), and then after passing Hwy. 242, turn right on Gateway Blvd. to Clayton Road. Continue driving Clayton Road (past the intersection of Ignacio Valley Road/Kirker Pass Road) until you come to the crossroad of Mitchell Canyon Road — turn to your right and drive that road until you reach the Park entrance (end of road).
