

PETER GRUBB HUT HIKE TRAILHEAD

Hike starts at the end of Castle Peak Road. Stop first at PCT Trailhead on south side of Interstate 80 for pit toilets. Exit 176, turn right and a quick left on Bunny Hill Drive past the motel to the PCT trailhead. Don't go to eastbound rest area or you will end up in Truckee and have to circle back. After the pit toilets, go back under I-80, turn right, and drive up to the end of Castle Peak Road. Park at end or along road.
