

Driving Directions to Rattlesnake Bar

Take Sierra College Blvd. south and turn left onto King Road. Follow King Road to the intersection of Auburn-Folsom Road and turn left. Drive about 1 mile and turn right onto Newcastle Road. Drive about 1 mile to the intersection of Newcastle Road and Rattlesnake Road (actually Newcastle Road turns into Rattlesnake Road) and stay to the right onto Rattlesnake Road. Drive about 1 mile and stop at the brown signs --- "Folsom Lake Recreation Area --- Rattlesnake Bar" and "Park Hours".

In front of the signs (on the right side of the road) is a dirt pullout where we will park ---- parallel to the signs so that several cars can fit in the space. There are no facilities at the parking area, so hikers should use the Orchard Creek facilities before leaving Lincoln Hills.
