

DRIVING DIRECTIONS: Drive Hwy. 80 east to Auburn. Take the Hwy. 49 North Grass Valley exit and at the stop light, turn left onto Hwy. 49. Drive approx. 24 miles to Grass Valley.

In Grass Valley, take the Brunswick Road exit, turn left at the stop light and drive over the highway overpass, and at the first stop light, turn left and then an immediate right into the Burger King parking lot. We will use both Burger King and Jack in the Box bathrooms.

Leaving the parking lot, go back over the overpass onto Hwy. 49 heading north. Stay in the left lane and watch for the Hwy. 49 & Hwy. 20 split — and take the left turn onto Hwy. 49 — Downieville direction.

Continue on Hwy. 49, passing the small town of North San Juan and (before reaching Camptonville) watch for Marysville Road — it will be a left turn. Drive on Marysville Road and cross over the Bullards Bar Dam. Drive 1.3 miles from the dam and watch for a sign (Rice's Crossing Preserve) and dirt-weedy parking lot on the left. There is also parking on the right in the old rock quarry.
