

## **DIRECTIONS**

Total driving distance about 18 miles. Take your favorite route to I-80 and proceed east to Auburn. To avoid downtown Auburn traffic, take Elm Avenue (Exit 119C), ("CA 49 South toward Placerville"), turn left at light to Elm St., then down the hill and left again at the light, which will put you onto High Street/CA49 south. Wind down about 3 miles to the American River confluence. At the bridge over the American River toward Cool, stay **STRAIGHT AHEAD** on Old Foresthill Road. We will park on the left side of the road just before the bridge over the north fork near the pit toilet. Nose your car in perpendicular to the road so you can access your trunk. There is additional parking across the bridge.
