

DIRECTIONS TO MONROE RIDGE

Drive your favorite way to I-80 East. Go past the Highway 49 (Grass Valley/Placerville) exit in Auburn and proceed to the next exit which is Elm Street. Upon exiting, move left and turn left at the traffic light. Go down the hill to the stop light on Elm Street and turn left onto High Street (CA 49) and follow CA 49 down into the canyon. At the confluence bridge, turn right toward Cool, Coloma and Placerville.

Proceed through Pilot Hill to Coloma. After entering Coloma, (25 MPH) take the SECOND parking lot on the left and go to the far end near the sawmill and park. The driver will need to remit the funds or have a state park foundation pass.
