

Directions:

I take Sierra College to Hazel to Tahoe exit for US 50. (They widened the street down there and the traffic flows nicely.)

Go east on HW 50. Travel about 10 miles past Placerville to Exit 60, Sly Park Road in Pollock Pines. Drive 4.5 miles south on Sly Park Road and turn left on Mormon Emigrant Trail (1/2 mile past the entrance station).

The trailhead is one mile from this turn. Cross both dams and look for a wide driveway going up a hill to the parking area and trailhead. We will park on the left side. There are restrooms and a \$5 charge for parking.

If you do not want to pay the parking fee, you may park on the right side of the road before going up the hill. But it will be more convenient if we all use the parking area and not have to walk up that hill.
