

DIRECTIONS TO PARKING AT AMERICAN RIVER MIDDLE FORK

\$3.00 suggested donation to drivers. Total driving distance about 18 miles.

Take I-80 East to Auburn. To avoid downtown Auburn traffic, take Elm Avenue Exit 119C ("South, Placerville"), turn left onto Elm St., then left again at the light, which will put you onto 49 south.

Wind down about 3 miles to American River confluence. Turn right to stay on 49 (towards Cool), crossing the river. LOOK SHARP about ½ mile after crossing river for Old Limestone Quarry Road Trail parking lot on left side of road. FEE LOT: PLEASE BRING STATE PARK PASSES. If we don't have enough passes, there is free parking along the roadway shortly before you reach the lot--requires walking along and crossing the road.

Porta-johns are available near the beginning of the trail and at the picnic area.
