

HIKERS ALLTRAILS TRAINING WORKSHOP

SATURDAY, FEBRUARY 22, 1:00-3:00 PM

**LIMITED TO 20 PARTICIPANTS--RSVP REQUIRED
TO DEBBIE KNOWLES: djknowls@yahoo.com**

Get ready to navigate those beautiful spring trails with confidence!

Our January AllTrails Training Workshop filled quickly, so we're excited to offer a second orientation and hands-on session on Saturday, February 22, 1:00-3:00 PM in the OC Multipurpose Room.

Our very own Bruce Quick will give a brief introduction on how he uses online navigation while walking the Caminos in Europe. Lisa Mariotti and Debbie Knowles will then give an orientation to the features of AllTrails and show you how to use this empowering phone App. We'll wrap up outside with a short "practice trail" near Orchard Creek Lodge so you can actually try navigating with your phone.

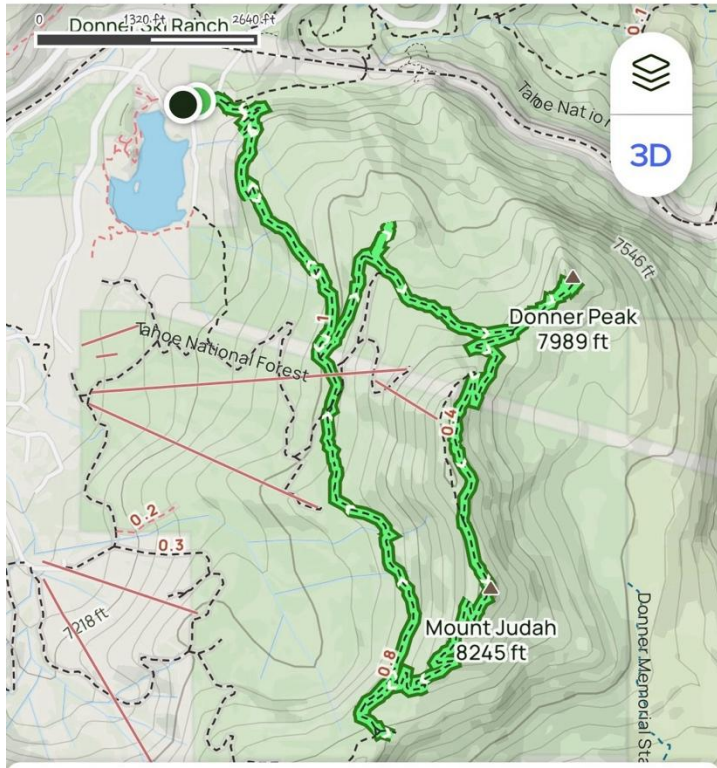

The workshop is limited to 20 participants so we can provide individual support to help you become comfortable with using AllTrails to find hikes and navigate trails. And, besides, it's fun!
